# 1. Introduction

As part of our commitment to support all students to achieve and succeed with HSDC (which comprises campuses at Havant, South Downs and Alton), the Student Capability Procedure sets out our support process where there are concerns that a Student is underachieving or concerns are raised by College staff about behaviour and conduct.

The procedures apply to all students on Study Programmes. Please see the table in section 5 for students on other programmes.

This procedure should be followed if concerns are raised for a Student by their Tutor or another member of staff and could include any of the following factors:

- Poor Attendance (please note that if this is due to poor physical or mental health, a safeguarding concern is recorded for the Student, or if the Student is a Looked After Child or Care Leaver, a member of the Health and Wellbeing Team should also be made aware).
- Poor Behaviour (not deemed as Gross Misconduct).
- Non completion of work required as part of the programme of study (coursework, homework, Maths and English).

The first stage of this process is designed to be supportive and could also be used for:

- A Student who is experiencing personal/family difficulties
- A Student with short term health problems
- A Student who is struggling with understanding their course requirements and/or who has poor organisation which is impacting their learning.

## 1.1 Role of Tutor

The role of the Tutor during this process is to ensure the Student is supported and communication is made with support departments within the College to ensure the Student succeeds on their course. If the process reaches beyond Support Stage 1, the Tutor will continue to monitor the Student and provide updates to the Senior Tutor and Learning Manager on the progress of the Student to ensure the next support stage is implemented.

## 1.2 Role of Senior Tutor

The role of the Senior Tutor is to support the Tutor throughout the process, whether that involves communicating with Parent/Carers or attending meetings if the Student is not making the required changes. The Senior Tutor will also lead the meetings at Support Stage 2 & 3 and keep the Learning Manager up to date with the Student's progress.

## 1.3 Role of the Learning Manager

Throughout this process the Senior Tutor should keep the Learning Manager up to date with the progress of the Student. Once the Student reaches Support Stage 3, the Learning Manager should be involved in the meeting and should monitor the Student (with the Senior Tutor) as they will be required to attend the Disciplinary Action Meeting.

---

#### **1.4 Role of the Head of Student Services/Student Wellbeing Manager**

The Head of Student Services/Student Wellbeing Manager may become involved in any stage of the Capability Procedures where there is

- a safeguarding concern logged regarding the student
- a health concern (physical or mental)
- the Student is a Looked After Child or Carer

The Head of Student Services or Student Wellbeing Manager will normally attend the Stage 4 Disciplinary meeting to provide support for the Student where relevant.

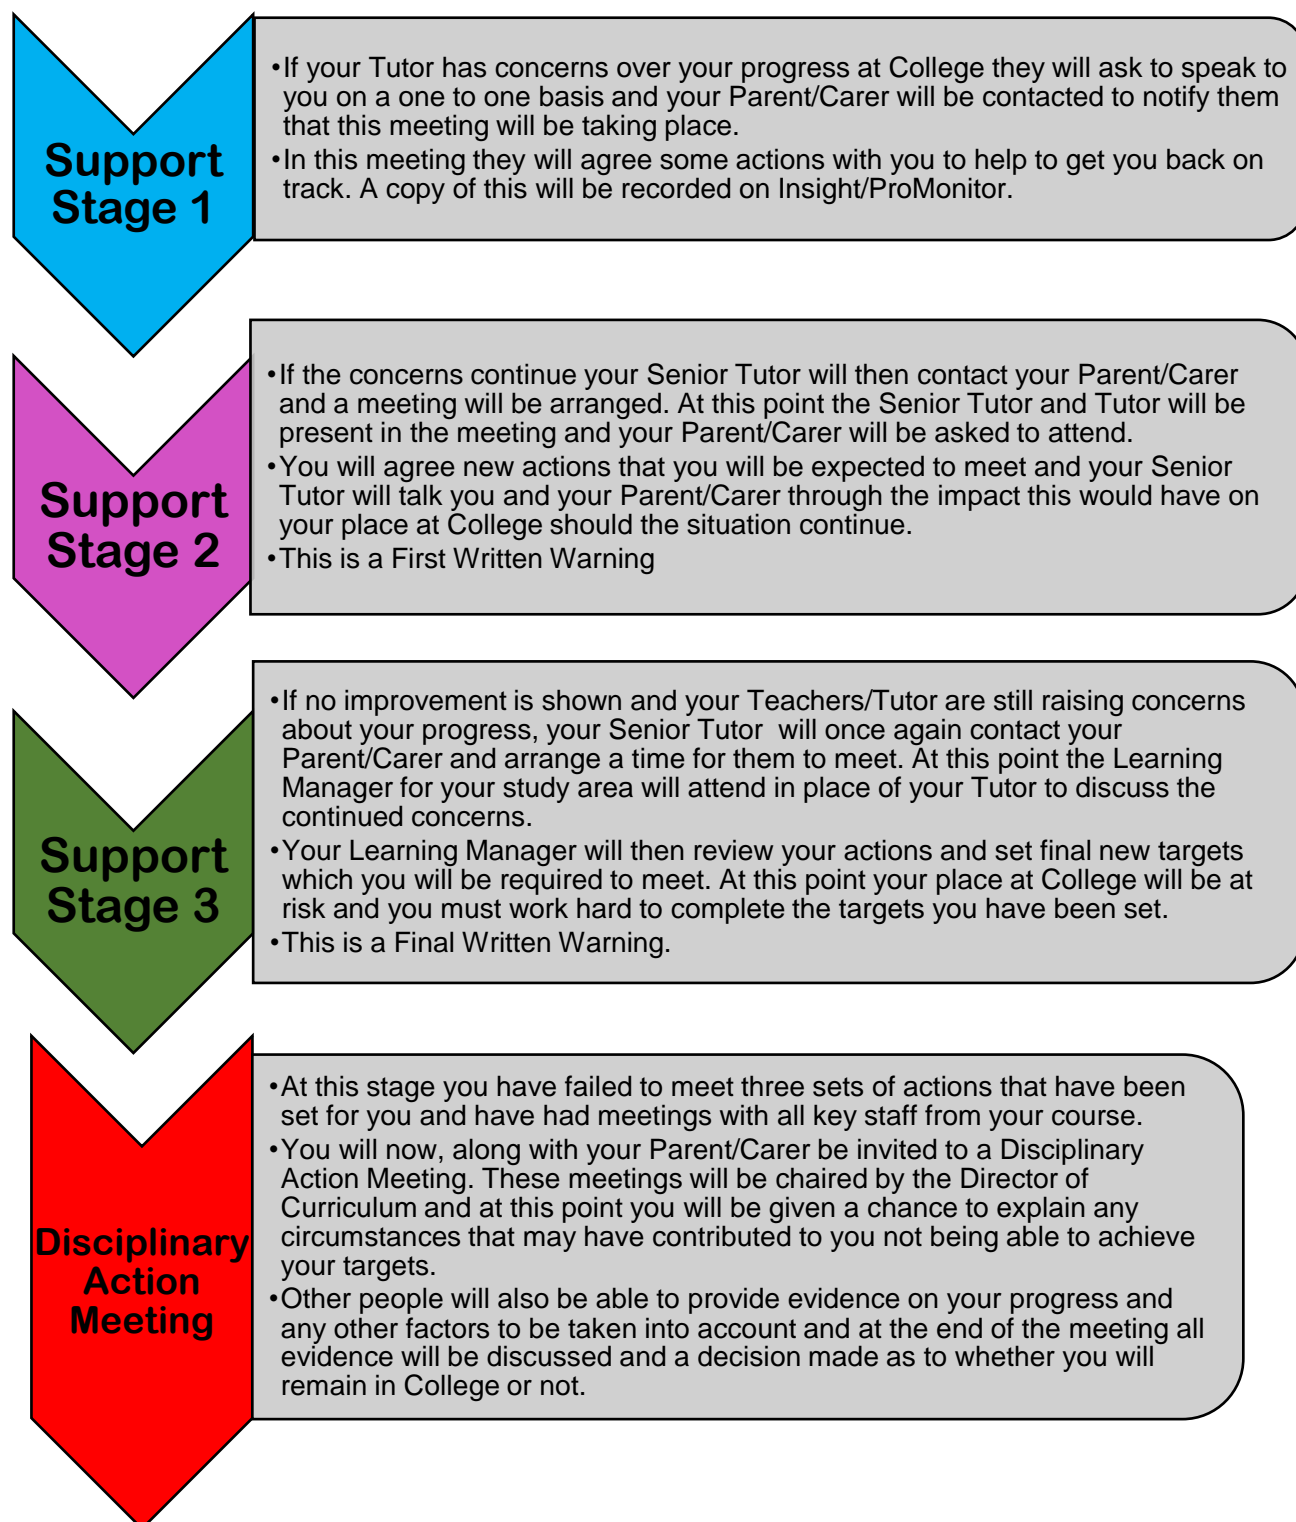

#### **1.5 Role of the Director of Curriculum**

The Director of Curriculum will chair the Disciplinary meeting. The Director will make a decision based on evidence presented as to whether the student is able to continue on their programme of study or leaves College.

This diagram is designed to help the Student understand the process and the support that would be put into place as part of it.

### 3. LANYARDS

It is a requirement of the College that all students, staff and visitors wear lanyards when on site. This is primarily for safeguarding purposes so that we can ensure that only persons permitted on be on site are present.

It is understandable that there may be the odd occasion when a Student forgets their lanyard and in these instances the Student should go to Reception (at the Havant and South Downs campuses) or the Hub Desk (Alton campus) to request a temporary lanyard/day pass. This will be recorded.

Where a Student has had to report for a temporary lanyard/day pass on 3 occasions the Senior Tutor will be informed who will discuss this with the Learning Manager.

- If the Student is generally making good progress a letter will be sent to the Student and parent/carer advising of the importance of the compliance. This will be logged on Insight/ProMonitor
- If there are commitment and attendance issues in addition to not wearing a lanyard then the Learning Manager and Senior Tutor may invoke disciplinary procedures and enter stage 2 of the process. This will be logged on Insight/ProMonitor
- Should there be a repeat instance where the Student is not wearing a lanyard this will be referred on to the Director and a letter will be sent to the Student and parent/carer. The Director may at this stage invoke stage 3 of the disciplinary policy.

---

## 4. Gross Misconduct

An incident of gross misconduct will result in instant suspension from College for a standard 5 working day period; however this may be shortened or extended as required and based on the requirements or findings of the investigation into the incident/concern.

Students can be formally suspended by the following staff members/groups; Director of Curriculum, Learning Managers; Head of Student Services.

Any student involved in an incident deemed as gross misconduct will progress straight to a Disciplinary Action Meeting where a decision will be made based on the findings of the investigation and information shared within the meeting.

***Examples of misconduct which can/should be dealt with through the standard capability process:***

- Poor time keeping or persistent lateness.
- Unauthorised absence from College.
- Unauthorised or inappropriate use of College facilities.
- Incidents of bullying or harassing behaviour not sufficiently serious to fall into the category of gross misconduct.
- Verbally abusive language (the level of seriousness will need to be judged by the member of staff dealing with the situation).
- Any harassment under the Equality Act that is not sufficiently serious to fall into the category of gross misconduct.
- Abuse of the College IT systems.
- Disrespect of British Values in accordance with the Prevent Duty.

***Examples of gross misconduct which due to their nature will lead to suspension prior to a decision on dismissal:***

- Unauthorised removal of the College's property or theft of any nature.
- Serious harassment under the Equality Act which could include but is not limited to: sexual, racial, religious or disability.
- Serious breaches of Health and Safety requirements.
- Sexual offences.
- Fighting/physical assault; including bringing any form of weapon/potential weapon onto the College site.
- Any actions in direct contravention of the College Prevent strategy. This includes promotion of views and/or participation in activities of an extremist nature, in accordance with the Prevent Duty.
- Actions which bring, or may bring, the College into serious disrepute.
- Being under the influence of alcohol or drugs on the College site.
- The sale, purchase or handling of drugs/any illegal substance for any reason (further information is contained within the HSDC Drugs and Alcohol Misuse Policy).
- Malicious damage to College property.
- Incidents of significant verbal/emotional abuse; this includes incidents of bullying and cyber bullying.

*The examples provided are not exclusive or exhaustive and there may be other matters which are sufficiently serious to categorise as either misconduct or gross misconduct. The College will inform you of this prior to suspension or other action taken as a result of conduct issues.*

## 6. Probation Conditions

Probation conditions are designed to support Students, and set clear expectations for them, if they have previously experienced difficulties with committing to their studies, issues with behaviour and attendance at the College or there are other concerning factors.

A member of academic or support staff can recommend probation conditions for a Student and they will be discussed with them at enrolment and clear targets set. These targets will be in place for either 4 or 6 weeks. At the end of this period the Student will have a review with their Tutor to discuss if they have met the targets and can continue on the course or if there are persistent concerns which could result in further action being taken. This action can include their place at College being withdrawn.

---

## 7. Appeals Procedure

Students may leave College before the end of their course because:

- They have been dismissed due to poor performance (eg attendance, non-submission of work and/or poor behaviour, gross misconduct) following the Capability process,

OR

- They have been withdrawn for other reasons by mutual consent (eg poor health, moving to another area etc).

Where a Student is dismissed from College, he/she shall have the right of appeal in the first instance to the Appeals Panel. Students (and, if appropriate, Parent/Carers) shall be informed of this at the Disciplinary meeting. Appeal requests must be made either in writing or by email to:

**Debbie Hallier**  
**PA to Vice Principal (Student Services)**  
**Havant and South Downs College**  
**Old Odiham Road**  
**Alton**  
**GU34 2LX**  
**Tel: 01420 592200**  
**Email: [Debbie.hallier@alton.hsdc.ac.uk](mailto:Debbie.hallier@alton.hsdc.ac.uk)**

The Appeal request must be made within five days of receipt of the decision to dismiss the Student from College. Once an Appeal is lodged, the Student shall not attend College until the Appeal is heard.

Students may appeal against dismissal on one or more of the following grounds:

- a) The College's procedures were not followed correctly
- b) The process leading to dismissal featured discrimination or unfair treatment on the grounds of protected characteristics
- c) Significant further information should be considered that was not available at the time of dismissal

**A request for an Appeal must identify the grounds from the list above and provide a brief supporting statement.**

The Appeals Panel consists of the Vice Principal (Student Services) and Head of Campus. Where the Vice Principal (Student Services) is also Head of Campus then another Head of Campus will be on the Panel. Students have the right to present their case in person to the Appeals Panel at an Appeal Hearing, with one other person in attendance if they so wish to support them, for example a Parent or Carer.

During an Appeal, the Panel may receive representations from the Student, Parents/Carers, Senior Tutor, Learning Manager, Tutor, Head of Student Services, Student Wellbeing Manager and any

---

other person they deem appropriate. Evidence may be received in writing or orally, as the Panel determines.

The Panel, in consultation with the Principal, may either:

- Uphold the decision for the Student to be dismissed, or
- Reinstate the Student, with or without conditions as appropriate.

The findings of the Appeal will be communicated to the Student and, if appropriate, to his or her Parents/Carers, in writing.

The decision of the Appeals Panel is final.

Not every meeting will be conducted in exactly the same way and will depend on the particular circumstances and nature of the appeal.
