

GETTING AHEAD

Start to develop skills that are relevant to your course before you join HSDC this September!

Vocational and Foundation Learning

We are looking forward to getting to know you and welcoming you to College. To help us to get to know you please complete the 'All About Me' sheet linked below. When you have finished it please save it carefully so that you can share it with us before you start. We'll be in contact about this in due course.

We have included two versions, but most of you will probably like to complete version 1. (Use the links below)

[Version 1](#)

[Version 2](#)

Fill this sheet out carefully and take plenty of time. We suggest you do it with a familiar adult who can help to prompt you and remind you about all the things you can tell us about yourself. The more the better!

We really look forward to reading these soon.

Good luck!

We look forward to seeing you in September!
