

GETTING AHEAD

Start to develop skills that are relevant to your course before you join HSDC this September!

Business - Level 3 Extended Certificate

One of the first units you'll be tackling when your course starts in September requires you to carry out some preliminary research about a selected company. In preparation, **please watch this [video](#)** about Redrow Homes Sales Centre, and then answer the following questions, (you may need to do some additional research to support your work):

Activity

- What is the history of the business? How did it start? And where is it now?
- What do Redrow Homes do? Think beyond just building homes.
- Who do you think has an interest in what Redrow Homes does? Think about who might get involved when Redrow Homes plan to develop a new housing development. These people are called the 'stakeholders'.
- Thinking about current circumstances and the Chancellor's announcement on Stamp Duty in the Mini Budget Summer 2020 Statement, what do you think will be the impact on Redrow Homes of the coronavirus pandemic? and associated lockdown? and economic slump?

We look forward to seeing you in September!
