

03 March 2021

Dear Parent/Carer,

Further to my letter yesterday, we have been working on speeding up the testing process and are pleased to provide the final timetable for Alton Campus.

I am delighted that we have been able to improve capacity through increasing staffing and volunteers involved. I apologise for these late changes, but we are keen to be able to have students back on campus in a more efficient way whilst still maintaining high levels of safety.

The students will be contacted by staff to inform them of the exact times for their tests.

We look forward to welcoming them next week.

Yours sincerely,

Mike Gaston
Principal and Chief Executive
